

TUFFASS M60 Vertical Beater

FEATURES:

- Flootation tires
- Road lights
- Rear hydraulic control door
- 2 Heavy duty gearboxes

OPTIONS AVAILABLE:

- Hydraulic brakes
- The M60 is available from 5m³ to 7m³.

Built to work hard, the M60 is a heavy duty, low profile spreader capable of spreading any type of litter material, including wheat straw, both inside a shed and outside.

The M60 is suited to a range of uses. This includes spreading manure from dairy and pig farms.

It can also be used on broad acre crops, sugar cane and tea tree operations.
